

Help your brand escape the ordinary.

FLEXcon self-adhesive materials bring floors, carpets, sidewalks and walls to life, stopping shoppers in their tracks.

Indoors and out, FLEXcon self-adhesive materials help you grab attention, connect with shoppers wherever they are and stimulate sales.

Make your brand message stick with self-adhesive materials from FLEXcon.

Today's brand marketers and ad agencies know that 30-second TV spots aren't always the best bet. So they're using FLEXcon self-adhesive materials to create some really clever at-retail and out-of-home messages that can be put just about anywhere — on carpets, shelves, P-O-P displays,

walls, windows, buildings, cars, subways — you name it. And it's generating some serious sales traction even in today's economy.

Call us. We'd love to help you expand your branding efforts beyond the expected for a distinct advantage.
